

## St. David's Poultry Team - Salmonella Screening Submission Form

Make sure it is absolutely clear to us what you have submitted; you may need to use separate submission forms for different flocks, houses, farms or types of sample. Make sure the submission form is completely and clearly filled in.

Each sample must be identified with a label stating client, farm and house.

Samples must be submitted within 24 hours of collection and should arrive at the lab from Monday to Friday.

Every sample bag must be clearly marked with Client, Farm ref and House i.d.
